Hello! My name is Rajat Arora, and I am a third-year Management student minoring in Economics. I am excited to announce my candidacy for Vice-President Finance and Administration in the upcoming SUO General Elections.

Currently, I serve as Vice-President Internal of the Students' Union Okanagan (SUO), where I have worked to strengthen student engagement, support student associations, and improve policies that impact our campus community. My experience in governance, budgeting processes, and policy development has prepared me to take on the financial responsibilities of SUO.

If elected, I will focus on financial transparency, responsible budgeting, and student-centered decision-making. I will:

- Ensure financial transparency by providing clear and accessible reports to students.
- Develop a strong and balanced budget that aligns with student priorities.
- Support student organizations by improving funding structures and equitable resource distribution.
- Monitor budget adherence to ensure responsible spending of student fees.

I believe strong financial management is key to an effective Students' Union. With your support, I will ensure SUO's financial resources are used efficiently to enhance student services and initiatives.

Let's work together to build a financially sustainable, transparent, and student-focused SUO. I would be honored to have your vote!

Thank you!
