

Vaibhav Bhayana

SUO  ELECTION
2025/2026

Director-at-Large Candidate

I am committed to enhancing student engagement by addressing concerns, advocating for better services, and fostering a more connected campus. I will push for extended hours at key dining spots like Tim Hortons and Starbucks, ensuring students have access to essential services. By creating open feedback channels and promoting inclusivity, I will ensure every student's voice is heard. Vote for me to build a more engaging and student-focused campus.
