Hi everyone, my name is Aman Ullah Waseem, and I am excited to be running for the position of VP Internal in the upcoming SUO elections. I am currently a second-year Computer Science student with experience working with student bodies, having served as the Deputy Head Boy in high school and as VP Events for the Cricket Club at UBCO.

I have also had the privilege of serving as the Faculty of Science Representative on the SUO Board of Directors. Through this role, I gained firsthand experience with SUO operations, worked closely with the executive team during the Annual General Meeting, and even had the opportunity to fly out for the BCFS AGM. These experiences have provided me with a deep understanding of the organization's structure, decision-making processes, and the importance of advocating for student needs.

If elected, I am committed to supporting clubs and course unions by providing the resources and guidance they need to thrive. I believe that clubs are the heart of student life, and I will work hard to foster a vibrant and engaging campus environment through increased collaboration and event opportunities.

Transparency will be a key focus during my term. I plan to implement clear communication channels to ensure students are informed about SUO decisions and initiatives. Additionally, I will advocate for policy improvements that promote inclusivity, efficiency, and more fun across campus. Together, we can create a more dynamic and enjoyable student experience. I look forward to the opportunity to represent you and to help make UBCO an even better place for everyone.

**SUO  ELECTION
2025/2026**

Platform points

- Improve Rubric Usability: Simplify and enhance the rubric platform, ensuring all students and club executives can navigate it effectively.
- Streamline Reimbursements: Develop a faster and more efficient reimbursement process for clubs and course unions.
- Inclusive Building Development: If the building referendum passes, collaborate closely with clubs to incorporate their feedback into the building plans.
- Transparency and Communication: Establish clear channels to keep students informed about SUO decisions and initiatives.
- Strengthen Club Communication: Maintain close ties with clubs to stay informed on their financial needs, ensuring fair and informed decision-making as VP Internal.
