

SUO By-Election 2022/2023

Candidate for Faculty of Arts and Social Sciences Student Representative

Georgia Mayhew

My name is Georgia Mayhew, and I am a fourth-year B.A psychology student. I am running for the Arts and Social Sciences Student Representative position this upcoming term. Although I am new to the SUO, I am excited to learn as much as possible and truly make an impact! I am eager to be the voice of the Arts and Social Sciences faculty to ensure we are effectively represented. One of my goals for this position is to increase student connection with each program in the faculty. Through my ability to create strong relationships, I will facilitate events and create space for students to get to know each other in a supportive and productive way. I am passionate about increasing resource accessibility to ensure every student gets the most out of each SUO and university resource. The Arts and Social Sciences faculty makes up a large portion of our student body, and I believe I have the skills to make our voices heard. I will ensure my efforts will encourage an inclusive and prosperous campus. Thank you for your vote!
