

## SUO By-Election 2022/2023

### Candidate for Faculty of Creative & Critical Studies Student Representative

#### Hanna Donaldson

My name is Hanna Donaldson, and I am so excited to be considered, as we seek a student leader for our faculty. I am a third-year student studying Cultural Studies in the Faculty of Critical and Creative studies; I have always had a passion for creating meaningful and effective change. Last year volunteering with the SUO made me recognize that I can fulfil so many of my ideas through this role. I am very eager for all the things we can accomplish; if I am elected here are some of the things, I aim to fulfil. I stand for community, resources, and effective change! Community is so important to me, and I believe there is still room to improve, as we continue to recover from some of the pandemic isolation. I aim to create spaces for FCCS students to gather, learn, and collaborate; through hosting small events throughout the academic year. I also am passionate about utilizing and improving the resources students have (example: the health and dental plan, academic advising, etc.).

This is just a glimpse into my plans and ideas, and I encourage you to seek more information through checking out my Instagram platform or sending me an email. [hannad.studentrep](mailto:hannad.studentrep)

Platform points:

1. Community to me is a feeling, and while I know there have been great leaps and strides to rebuilding our community post pandemic; I believe there is still room to improve! I aim to create a space for FCCS students to gather, learn, and build lasting connections. I will achieve this goal through hosting events, that allow us as a faculty to connect and take a break from a sometimes grueling school schedule. If you are as passionate about community as I am, vote Hanna Donaldson for FCCS Student Rep.
2. Resources are here help US! Believe it or not there are so many resources and I am all about making them more visible and accessible to students. I am going to use my online presences (Instagram) to advertise and understand how to access and use the resources that are available School is hard sometimes, and if you want to learn about the resources available to you; and that will help you in trying times, vote Hanna Donaldson for FCCS Student Rep.
  - Make positive contributions to change in academic advising
  - Don't know how to use your health and dental plan, I will help you!
  - Did you know we have a student food back, now you do!
3. Regarding safety, I want to hear from you. What would make you feel a greater sense of safety and security on our campus? I want to advocate for more utilization of safe walk and see what we can do in regards to getting more lighting on campus; for the days that students are here till late at night. Light and visibility can have a significant impact to the actuality and sense of safety. If you have ideas and want to make campus have a greater sense of safety, vote Hanna Donaldson for FCCS Student Rep.
