

SUO By-Election 2022/2023 Candidate for Faculty of Education Student Representative

Lindsay McGrail

Hello, my name is Lindsay and I am standing as a candidate for the position of Faculty of Education Representative. If elected, it would mark my third term as a faculty representative for the Students Union. By serving a term as the FASS representative in my undergrad (BA '22), I found my passion for student leadership. I am specifically interested in the governance of the Students Union which has led me to my current memberships on both policy committee and more recently the oversight committee.

I have chosen not to include platform points as part of the campaign process because I do not want to be a dogmatic politician. My goal is to listen to the needs of my unique faculty and to allow those needs to shape my role, rather than have a pre-determined goal and thus, ignoring those I represent.

I look forward to using my experience and to serve my faculty for another term.
