

**Aaditya Golash**

**SUO GENERAL  
ELECTION 2023**

**Vice-President Campus Life Candidate**

My name is Aaditya. I am an international student from India who grew up in the Middle East. I am excited to run for Students' Union Vice-President of Campus Life.

I firmly believe in the importance of community and creating a welcoming environment. As the Students' Union Vice-President Campus Life, I aim to create a vibrant and engaging campus community that fosters personal and academic growth for students. I don't live on campus, and I realise the struggles of the campus. I want to make the campus more accommodating to the needs of students, especially those living off-campus, so that campus life is enjoyable.

Although I'm new to student government, my experience organising events, volunteering for social causes, and working with diverse groups has taught me the value of effective communication, collaboration, and leadership. I will work closely with other members of the Student Union to create innovative programs and initiatives that reflect your interests and passions.

I am confident in learning and adapting quickly. I am a proactive and enthusiastic individual eager to collaborate with other students, clubs, and organisations on campus to make a difference.

Thank you for considering me for this position, and I hope to serve as your Vice-President of Campus Life.

### Platform points

1. Have events and functions more often and allow maximum student input in the decision-making by taking polls and voting.
2. Create opportunities for students to find volunteering prospects, connect with professionals in their field, and gain valuable experience for post-college success.
3. Make academic help, mental health resources, and career advising services more accessible.
4. Have study support stations that provide snacks and goodies for students studying all throughout the year at least once a week.
