

Abby Newman

**SUO GENERAL
ELECTION 2023**

Vice-President Internal Candidate

My name is Abby Newman, and I'm a third year Bachelor of Management Student minoring in Psychology, with a focus in Human Resources. I'm passionate about creating inclusive environments, collaborative workplaces, and experiential learning opportunities for students.

As the current President of the Management Student Association (MSA), my knowledge of campus resources, course unions, and clubs is unmatched. I'm versed in SUO polices and have experience assessing constitutions and creating governing documents. I believe my leadership abilities have allowed the MSA to grow into an inclusive, sustainable, and welcoming organization for all students. Overseeing 7 executives with 68 internal members while representing over 1000 management students, my decision-making skills are present everyday as I work to ensure all stakeholders' needs are fulfilled and the MSA is operating at maximum efficiency.

Outside of the MSA, I work at a local pizza restaurant where I've progressed from hostess to social media manager. I pride herself on my strong work ethic, commitment, and dedication to getting things done. I don't stray away from hard projects, especially initiatives that benefit the greater student body.

I plan on using my resources and unique skill set to excel in the position of Vice-President Internal.
