

**Darsh Alamchandani**

**SUO ✓ GENERAL  
ELECTION 2023**

**Director-at-Large Candidate**

My name is Darsh Alamchandani and I am a 3rd-year Management student. I am excited to announce my candidacy for the position of Director at Large in the upcoming student elections. I am a dedicated, motivated, and passionate student leader who is committed to improving the student experience at UBC.

Throughout my academic journey, I have been actively involved in various student organizations, clubs, and events. These experiences have helped me develop strong leadership, communication, and organizational skills, which I believe are essential for this position. I have also gained valuable knowledge and insights into the challenges that students face on a day-to-day basis and the ways in which we can work together to overcome them.

I am currently serving as the Vice-President of Events with the Indian Students Association, where I have been responsible for planning and executing a variety of events and activities, while also creating opportunities for students to connect, socialize, and learn from each other. Through my work with the ISA, I have gained valuable experience in event planning, team management, and communication, which I believe will be invaluable in the role of Director at Large. I have also had the opportunity to collaborate with students from diverse backgrounds, which has helped me develop a greater appreciation for different cultures and perspectives.

As Director at Large, I will work collaboratively with other student leaders, faculty, and staff to enhance the student experience at UBC. I am excited about the possibilities and opportunities that lie ahead and am confident that, together, we can create a better future for us all.

Thank you, Darsh Alamchandani, Director-at-Large, Here to Make Your Life Large!

### Platform points

- Prioritizing mental health to ensure students have access to resources such as mental health professionals, reduce stigma, and promote awareness and education students.
- Promoting inclusivity and equity by creating opportunities for students to come together, share experiences, learn from each other, and ensure campus policies and practices are inclusive and equitable.
- Working towards affordable and nutritional food choices, that are available to all
- Fostering student engagement and collaboration to encourage student participation in decision-making processes and create opportunities for students to contribute to the university community.
