

**Twinkle Hora**

**SUO GENERAL  
ELECTION 2023**

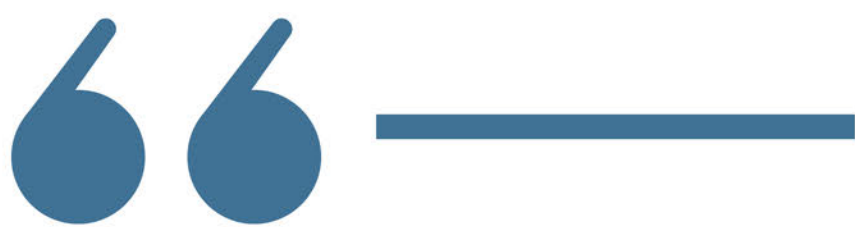

**Director-at-Large Candidate**

Hello everyone! My name is Twinkle Hora and I am currently in my 3rd year majoring in Psychology with the aim of pursuing a career in law. I am running to be the next Director at Large for the upcoming year. I have been involved with the SUO since September 2021. I started volunteering and helped out with tabling, advocacy, promotion of different events, setup and take down. I have also sat as a student-at-large on the campaign's committee. I ran in the by-election last year and got elected as the Faculty of Arts and Social Sciences Representative. I am currently part of the campaign's committee and love being involved to make changes. I am very familiar with how the SUO works and having previous experience will help me in this new role. By being one of the Director at Large, I want to be the voice of the students. I will ensure that every student's concerns are being heard and brought forward to make changes. I was a residence advisor on campus from September 2021 - April 2022 which has also helped me realize how much I love helping others and being involved in my community. I want to make changes to make student life easier and more enjoyable. As it will be my fourth and last year starting September, I want to leave a lasting impact before I graduate. I am looking forward to what the future holds for me. Thank you for reading!

Platform points

1. I want to make more food options available for students. I also want to ensure that food services have increased hours of operation to provide flexibility for students.
2. I want to provide easy access and more visibility to mental health resources as I am very passionate about that.
3. I want to have parking fees reduced and make it more affordable for students.
4. I want to provide more study space for students on campus.
