Japnit Singh

Greetings, I am Japnit Singh, and I am thrilled to be running for the position of Director-at-Large. I'm currently pursuing a Bachelor's degree in Management at UBC Okanagan (UBCO).

My nature and ability to connect with people have earned me a reputation as a compassionate and outgoing friend and person. I believe that I can prove them right through my work as the Director, so providing me with the chance to do so, we, together can create an inclusive campus where every student feels welcome and valued. Lastly and most importantly, I believe that every student's voice should be heard.

As a prior experience, I was part of a NGO in Delhi to help the local people struggling in poverty. As a part of them, I led an initiative as the main Resources Manager and ensured that I communicated with the other Managers in order to help over 150 families escape poverty. This is why I'm excited to forge new connections, learn from diverse perspectives, and work with everyone to make a positive impact on our university community.

1. I will be actively working for the people and working 'on the ground' by collecting views, feedback and info on student life, hence ensuring the students feel heard
2. I will look to provide additional and more accessible study spaces for students during both the non-exam and the exam periods
3. I will improve the students' access to transportation for the Pandosy Express and Quail Ridge by making it more frequent during the day
