Hey everyone, I'm Ananya Bhattacharya, running for the Director-at-Large (DAL) position at the Student Union for UBC-O. I want to be upfront with you: I'm not here to throw around buzzwords or make empty promises. I'm here because I genuinely believe in the power of action and meaningful change. As your Director-at-Large, I'm laser-focused on amplifying student voices and championing initiatives that enhance the student experience. My approach is straightforward and no-nonsense—I believe in practical solutions that address real concerns and produce tangible results.

Transparency, accountability, and accessibility will be at the forefront of my agenda. I'm committed to ensuring that every student feels heard and represented, and I will work tirelessly to build a campus environment where everyone can thrive. When I talk about supporting clubs, securing funding, and expanding internship opportunities, I mean it. I've seen firsthand the impact that these initiatives can have on students' lives. It's not just about saying the right things—it's about rolling up our sleeves and getting the job done.
