

Hanna Donaldson

**SUO GENERAL  
ELECTION 2024**

**Vice-President Internal Candidate**

My name is Hanna Donaldson (She/Her/Hers), and I am a settler on the traditional and unceded territory of the Okanagan Sylix Peoples. I am appreciative for the opportunity's I have received and for the experiences I get to have on this land. I am passionate about making land acknowledgments more meaningful and personal as I seek to make efforts in the process of decolonization. This is one of many things I hope to bring upon the review of policies, regulations, bylaws, etc. when thinking about how the Students' Union operates while occupying space on stolen land.

I have had the great opportunity to be the Faculty of Creative and Critical Studies Student Representative for the past two years. In this time, I have contributed to a variety of different student-based initiatives, sat on SUO committees, and external (UBCO) committees. What I have learned along the way is that student leadership roles are not individualistic. While I have pillars that will guide my platform, ideas, and goals for this role, I don't want to advocate for just my want, rather, I want to hear your voices and incorporate your concerns. I aim for this role to be collaborative, I have seen time and time again, the more passion, the more people, the more that gets accomplished and changed. Vote Hanna Donaldson for VP Internal! Vote for experience, a diverse framework, strong resource centres, more student associations and most importantly the inclusion of your voice. I am running for us.
