

Mariam Al Barazi

**SUO GENERAL
ELECTION 2024**

Director-at-Large Candidate

Mariam Al Barazi received her BA in International Relations in 2020 from UBC-O. During her undergrad, she was a keen student leader, and when deciding where to pursue her master's, she felt like there was no better school for her to return to, and she is now pursuing an MA in IGS Global Studies. She has spent the past three years as a Fundraising Manager with the world's top NGOs, ensuring every donor feels part of something bigger. This year, she aims to unite the UBC-O community and ensure every UBCO student feels included in that process!
