

Omang Baheti

**SUO GENERAL  
ELECTION 2024**

**Faculty of Sciences Representative  
Candidate**

I am Omang Baheti, a first-year graduate Student pursuing my Masters in Computer Science. It is with great honour and enthusiasm that I announce my candidacy for the position of Student Representative for the Faculty of Sciences at the Students' Union Okanagan.

My motivation to join the SUO Board stems from a profound desire to cultivate a better environment for my peers. Throughout my undergraduate journey in India, I embraced leadership roles within various student organisations, fostering a tightly-knit community of students dedicated to excelling in their respective fields.

O

This experience instilled in me the importance of collective action and student empowerment. Currently as a graduate student, I am volunteering at the Graduate Student Committee to actively engage in initiatives aimed at improving the lives of fellow graduate students. From organising events to advocating for policy changes, I am committed to making a positive impact on the graduate student experience.

Being elected as a student representative will help me take a more active role in advocating for policies and initiatives that promote student success and well-being. With a focus on collaboration and transparency, I will work tirelessly to address the concerns and amplify the voices of students within the Faculty of Sciences. I humbly ask for your support and vote in the upcoming election. Together, let us create a vibrant and inclusive community where every student has the opportunity to thrive.
