6.2 Official Territory Acknowledgement

We would like to acknowledge that we are on the unceded, traditional territory of the Okanagan Nation. What unceded means, is that there was no treaty signed between the two governing bodies; therefore, we are all visitors on this land. In addition, we would like to recognize that learning happened in this place long before this institution was established. It's important that we understand that we are very privileged to be living, working, and learning in these territories that are not our own.
