

**LIAM WALLACE**

**SUO GENERAL  
ELECTION 2026**

**Faculty of Arts & Social Sciences  
Representative Candidate**

Hi, my name is Liam, and I am applying to run as the representative for the Arts and Social Sciences faculty. I grew up in the Okanagan and began attending UBCO in 2022. I am currently in my fourth year of study working towards a Political Science degree.

This is my first time running for any kind of SUO or student government position, and I am looking forward to fostering a good relationship with the student body and the other board members.

If elected, I will do my best to advocate for the members of the Arts & Social Sciences department, and remain informed about the issues that they are concerned with. I wish to encourage students to speak up and push their issues forward. Your concerns are my concerns.

I will do whatever I can to assist with the smooth running of events, and strive to ensure students have their voices heard by the management of the Arts & Social Sciences department.

I hope to be worthy of the support of the student body in being a representative. Thank you for your consideration.
